

# Palm Sunday 2020

Dear friends of the SMA!

Holy Week commemorates the week that changed the world. Up until recently, none of us could have ever comprehended that sort of rapid change described in Jerusalem the week of Jesus' death. But now we have. We have experienced the world halt literally in days. We are truly in an unprecedented moment in time. Yet, we still live each day in hope.

We wish to thank you all for your love and concern by phone, facebook, email etc. We are all fine here, thanks be to God, especially our senior Fathers Cooney and McConnell. We are praying much, honoring your intentions, keeping house and home as best as we can. We are sending our love and warm regards to you all. We miss you and love you! We thank you for your prayers. Be assured of ours.
